

Introduction to the Blood Easy Interactive Elements

Welcome to the Blood Easy on-line modules. In this course, you will encounter the following interactive elements:

Audio Intro – This icon indicates that on the page there is an audio introduction to the module or section.

Continue – This is the button that you click on in order to continue to the next step in the animation.

Learn More – These boxed inserts provide extra information and examples about ideas.

Roll Over – This indicates that on the page there is an interactive area where you 'roll over' items with your mouse to view more information.

Open File – This icon allows you to open a relevant document. When you click on this icon, the document will pop-up into a new window.

Quick Click – These are interactive exercises that will have you work with the ideas that you have learned. Self-check exercises are included so that you can test your own understanding of concepts.

E-structor – These are audio-led pop-ups that contain extra information or further details about the current topic.

Scrolling Arrows – These buttons are inserted where there is more text than can fit on a single page. Roll your mouse over the arrows (up or down) to scroll the text up or down.

Navigation Bar Elements – There is a "Navigation Bar" on the bottom of the screen that helps you move through the course.
